SUNNY BORDER NURSERIES

KENSINGTON, CONN.

Tel. New Britain Valley 8-4806

Dear Fellow Nurserymen:

In this list you will find the most complete selection of hardy plants that we have ever listed. Furthermore, we have had a splendid growing season making our plants sturdy and healthy.

On the first pages you will find a number of recent introductions and varieties which we feel have more than ordinary interest. Only a limited number of these are available so we would suggest you order early.

No charge on packaging or packaging material is ever made by this nursery and located as we are on the east coast you will have the advantage of quick delivery at lower cost.

Sunny Border Nurseries are located between Meriden and New Britain just a short ride from the Wilbur Cross Highway. We are always happy to have you visit our Nursery when you are in this vicinity.

It is difficult for us to prepare an order for you while you wait in our busy seasons. A few days notice would be appreciated very much.

Sincerely yours,

ROBERT BENNERUP
